MOTOROLA CONNECT

The Missing Piece to Your Business

Wide Area Two-Way Radio Communications

Motorola Connect is a digital trunked radio system designed for organizations needing fast, flexible, clear communications over a broad range in difficult environments.

Benefits Include:

- Immediate Two-Way radio conversations!
- One-to-many & one-to-one dispatch capabilities
- On-Site & seamless roaming wide area coverage
- Clean, clear frequencies with no interference
- Talkgroup segmentation to organize work crews
- Data applications - opening gates, shutting off valves, etc.
- No infrastructure investment
- No license or frequency search required
- Flexible and project-specific radio usage
